Citi Foundation Partners with Kenan to Solve Community Debt Problems

Bangkok, June 6, 2019 – Over 30 Citi Volunteers led by Ms. Anna Mikulitskaya (Global Subsidiaries Group Head, Citi Thailand) together with Kenan Foundation Asia led by Mr. Piyabutr Cholvijarn (President, Kenan) and representatives from Community Organizations Development Institute (Public Organization), organized a community service project to provide financial literacy training to members of the Lakhok Pioneering Self-Sustaining Community in Pathum Thani. By empowering these community members with essential financial knowledge, they will be better able to manage their finances effectively. The training covered a range of financial topics, including expense tracking, savings tips, and debt management. This knowledge will help community members reduce household debt in the short term and escape poverty in the long term. This event was part of the Citi Global Community Day 2019, which aimed to contribute to the achievement of the sustainable development goals in societies around the world.
